

"It was a wonderful night! Thank you for providing this slice of heaven in Hartford!"

## WHO WE ARE

Filled with culture and history, the Schauer Arts Center was transformed from a canning factory built in 1919 into a non-profit center for the arts.

Opening in 2000, the Schauer Arts Center presents professional performances and regional art exhibits, provides a school of the arts for all ages and levels, and serves as a beautiful event venue and home to the Hartford City Band, Hartford Community Chorus, Hartford Players, and Kettle Moraine Fine Arts Guild.

The Schauer Arts Center strives to be a vital resource that fosters, supports, and enriches the cultural, educational, and social well-being of the community by serving as a gathering place where people from all walks of life enjoy and participate in the arts. It's an entire arts district under one roof, and you are a vital part of its success. While ticket purchases cover a small portion of operating costs, your partnership is essential in helping us bring top quality arts programming to the area.
