As a result, what you see here is most of our 2021-22 season, but there may be a few add-ons, especially for the second half of the season. You will receive a full season brochure in about 3 weeks.

As a past season subscriber, you are the first to see this and have first option to purchase tickets. For this year, a season subscription will again be 7 shows. Instead of the seventh and least expensive show being free, each show will be discounted 10%.

Season subscribers can order tickets starting now. In order to keep your preferred seats please return your order form by July 16. Box office staff will be happy to compute your discount and confirm with you before processing your order.
